

# GORILLA DRIVE™

## MINI RUGGEDIZED USB FLASH DRIVE

The GorillaDrive™ Mini takes external USB flash drives to the next rugged level with its compact size. Made from the same durable silicon compound as the original GorillaDrive, it can take on the trials of everyday life. The durability of GorillaDrive Mini enables it to be pressure / impact, heat and water-resistant. Store and transfer files from work, school or at home with confidence that they will make the journey.
